Large 15.6"  
Touchscreen LCD

Runs Android 4.2.2

RS232 and USB Ports

The simplicity and ease of use of Android is now available in a convenient, designed for POS platform.

Unlike consumer devices, the Eco Plus features an inbuilt stand that will sit comfortably on a counter, it has physical ports for connecting barcode scanners, receipt printers, cash drawers and more. It also has a large 15.6" widescreen for ease of viewing.

Don't compromise with a clunky Windows device, or an unsuitable Android device any more, the Eco Plus is here now and it's revolutionary!
