Fast and reliable

The ADS-4900W is a high-performance, professional desktop document scanner built for uninterrupted, high-volume scanning.

Simple and intuitive

The user-friendly interface, intuitive 10.9cm touchscreen and one-touch scanning will have you up and running in minutes so you can focus on business-critical tasks.

Convenient connectivity options

Scan your documents securely and conveniently using a host of connectivity options. Use USB 3.0, USB host, or connect wirelessly via ethernet or Wi-Fi to scan without connecting to a computer.

Industry recognised software

The availability of Kofax and NewSoft at your fingertips sets you up for success by maximising your post-scanning productivity with software that integrates seamlessly with your scanner.

Advanced image capture and processing

With Optical Character Recognition (OCR) that transforms paper documents into actionable data, and optimising image quality through automatic vertical streaks, moiré reduction, and document separation functionality, the ADS-4900W makes image capture and processing effortless, cutting down your document preparation time.

Brother ScanEssentials

ScanEssentials is a high-performance scanning tool that allows you to not only scan documents, but also create workflows and save them securely to your network without fuss.

Brother's at your side support

Wherever you are in Australia, Brother offers free product support for the lifetime of your product.
