Humanscale ®

NeatTech

NeatTech is an innovative cable management solution that complements our award-winning height-adjustable table, Float, as well as other workstations. A lightweight mesh basket, NeatTech stores power strips and cables neatly and safely off the floor. NeatTech features unique Velcro ties to secure wayward cables and offers easy access once installed.

Features

- Designed to support a total weight of 4.5kg (10 lbs.)
- Can be used in conjunction with Humanscale's Float and other workstations
- Available in Grey with Grey trim
- Simple installation template provided on packaging for quick, easy installation
