

## AXIS M2035-LE Bullet Camera Affordable camera with deep learning

Ideal for tough environments and rough weather, AXIS M2035-LE delivers HDTV in 1080p. With a deep learning processing unit, it enables unique opportunities for analytics based on deep learning on the edge. AXIS Object Analytics offers detection and classification of humans, vehicles, and types of vehicles. And Axis Edge Vault protects your Axis device ID and simplifies authorization of Axis devices on your network. Available in two lens alternatives, this IK08-rated camera offers flexible and cost-efficient installation including PoE. Edge-to-edge technology allows for smart pairing with Axis speakers. Plus, a spacious, sealed back box ensures secure cable management.

- > HDTV 1080p
- > Compact, lightweight design
- > Analytics with deep learning
- > Zipstream supporting H.264/H.265
- > Outdoor-ready with IR illumination

## AXIS M2035-LE Bullet Camera
