

Wide Bracket Wall Mounts

AD-WF-5060 AD-WT-5060

For wall mount of single displays where a wider wall bracket is desired – particularly for stud walls with 24” stud spacing.

Straight angle or tilted, low profile to wall or more space to discretely stow devices – these wall mounts are versatile to suit commercial, light industrial, and domestic environments.

Robust & Reliable wall mounting solutions

Installer friendly

Integrated spirit level and slotted holes on all versions

Wall offset options

AD-WF-5060 sits snug to wall with 25mm (1”) offset

AD-WT-5060 has 56mm (2.2”) space to conceal devices

Suits stud walls with 24” stud spacing

100x100
400x600

50kg
(110lbs)

Lateral adjustment

Lateral display adjustment on wall bracket to fine-tune your display position

Tilt display version

Set tilt -10° to 5° on AD-WT-5060

Display release cords

All versions offer magnetic tags for easy safe concealment

Available in black

10 Year Warranty

Robust & Reliable wall mounting solutions

Wall mounting options

Fixed Mount
AD-WF-5060

Low-profile mounting parallel to the wall. Robust and functional.

Tilt Mount
AD-WT-5060

Tilted display mounting with range -10° to 5°. More space behind display for technology.

Ordering single display wall mounts that suit 24" stud spacing
